

# A Thank You Note for Our Reviewers

10.5005/ijccm-26-1-149

We wish to thank all the reviewers who took out time from their busy clinical schedule and reviewed the manuscripts assigned to them. Without your invaluable support, it would be impossible to bring out high quality issues of the journal time and again, on a regular basis.

Thank you once again, and we are indebted to you.

Stay safe.

Warm regards

Atul Kulkarni

On behalf of the entire editorial team

Indian Journal of Critical Care Medicine
