

Phlegmonous Gastritis and Streptococcal Toxic Shock Syndrome: An Almost Lethal Combination

Indian Journal of Critical Care Medicine (2022): 10.5005/jp-journals-10071-24274

In the article, "Phlegmonous Gastritis and Streptococcal Toxic Shock Syndrome: An Almost Lethal Combination," which appeared in the pages 1197–1200, Vol. 25 Issue 10 of *Indian Journal of Critical Care Medicine*, the author surnames and first name have been placed vice versa. The author names are incorrectly written as "Paramythiotou Elisabeth¹, Mitrakou Cornelia², Savva Athinna³, Antoniadou Anastasia⁴, Armaganidis Apostolos⁵, and Dimopoulos George⁶" instead of "Elisabeth Paramythiotou¹, Cornelia Mitrakou², Athinna Savva³, Anastasia Antoniadou⁴, Apostolos Armaganidis⁵, and George Dimopoulos⁶."

These have now been corrected and reposted online.
